

A photograph of three people in a modern, well-lit workspace. A woman with blonde hair and glasses, wearing a patterned dress, holds a tablet. A man with dark hair and a black shirt stands behind her, looking at the tablet. A woman with long dark hair, wearing a white blouse and orange skirt, stands to the right, smiling. The background features shelves with plants and warm lighting. A thick yellow line graphic starts from the top left, curves around the text, and ends at the bottom right.

GPE Fully Managed

Simon Rowley, Director

A warm welcome

Every business is different, with its own unique needs. That's why we take time to get to know you and your business, so you can step into a space that's fully yours from day one.

Want a hassle-free experience?
Then GPE Fully Managed is for you.

You'll have your own front door, meeting rooms, kitchen, and plenty of space to call your own.

Our in-house teams have put their all into expertly designing and crafting your workspace, giving you a beautifully furnished, sustainable space your people will love, delivered by one of London's most respected property owners.

You can relax knowing that we are knowledgeable and experienced and will take care of everything - from a warm welcome to getting to know you and your business.

Your people are our priority. Think of us as an extension of your team - here to make sure you're well looked after; and your workspace is, and remains, just as you want it.

Ultimately, we make your life easier, so you can focus on doing what you do best - running a thriving business.

GPE Fully Managed

Make yourself comfortable

Step into a furnished, sustainable workspace that's fully yours and hassle-free.

6 reasons to choose GPE Fully Managed

1 – Fully managed and fully yours

Say hello to your furnished workspace that's exclusively yours - with your own front door, meeting rooms, and kitchen. Our Fully Managed service is a truly hassle-free experience - from making sure the teas and coffees are stocked to taking care of those odd jobs. We're here to keep everyone happy and everything up to scratch, so you don't have to.

2 – All-in-one bill with no hidden extras

Say goodbye to multiple bills. Each month you'll receive just one all-inclusive bill from us, and for added peace of mind, your bill remains fixed for your contract period. Plus, there are no upfront costs for getting your space move-in ready; we've got it all covered. It all helps to make managing your costs that little bit easier.

3 – Relax, you're in safe hands

We've been doing this for a long time. Our in-house experts put their all into curating the perfect experience, so you can enjoy market-leading workspaces. We also own and manage our buildings, so you'll always deal directly with us. With a great range of spaces and locations across London, we'll help you find the perfect workspace for you today and as you grow.

6 – Exceptional service as standard

Your people are our priority. It’s why we’ve developed our customer charter — the values by which we operate — so we can deliver you a great experience. Through passion and dedication, we have proudly achieved a Net Promoter Score of 48.3, setting a standard way ahead of the office industry average of just 12.1*. So you can be confident your people will be well looked after.

and fully yours.**

Relax, you're in safe hands

Choosing a new workspace is a big decision and you want to know you're in safe hands. Well, you've come to the right place.

We've been creating best-in-class spaces in London since the 1950s, so you could say we've earned our reputation. We're proud of our Net Promoter Score of 48.3 - streets ahead of the industry average of just 12.1*.

And, unlike many providers, we own and manage all our buildings and have an in-house team, so we can curate the whole experience from the moment you step inside to the moment you leave. You'll also always deal directly with us.

In 2018 our forward-thinking, experienced team began delivering market-leading furnished spaces.

Today, we have many of these workspaces, fully managed by us, all over the capital. With new properties in development, our portfolio continues to expand so we can help with your business needs today and as you grow.

All this is why some of the world's biggest brands trust us to provide their workspaces.

GPE Fully Managed

High-quality video conferencing hardware

A must for hybrid working. All your acoustically-treated meeting rooms will be ready to go, with video conferencing hardware, plug and play connections and sleek wall-mounted screens.

Tech support when you need it

Our engineers will be on-hand to get your tech working seamlessly when you move in. But they don't stop there. They'll onboard your teams, get everyone set up and business-ready, and can provide ongoing support when you need it.

The speed you need

Every business is different. That's why you can choose the bandwidth that's right for you. As standard, you will have access to a shared 1GB* internet service within most of our buildings with the ability to upgrade to a dedicated bandwidth service depending on your requirements. We've got your Wi-Fi sorted too; with multiple networks included in your package, you can set up your business exactly how you want it. Every workspace comes with dual diverse fibre that's proactively monitored 24/7, so it's safe and secure, as well as speedy.

We get to know you

Listening, learning, and taking time to understand your business, to deliver solutions that work for you.

We always bring the energy

Passion, enthusiasm, and energy are a given, helping create dynamic, inspiring experiences that will help you thrive.

We create exceptional spaces

Crafting sustainable, vibrant spaces where your business and talent will flourish.

We evolve with you

Adapting and refining our approach to meet your changing needs – our spaces and services work for you at every stage of your journey.

We stay determined and dedicated

Remaining committed to delivering on our promises with transparency and professionalism.

Working towards a better world

Workspaces that prioritise the environment, community and wellbeing of your team.

We're on a mission to reduce our carbon footprint and we're excited to work with you so you can reduce yours. Together, we can make a positive impact on the environment.

We'll always be upfront about how our buildings perform - keeping it real and transparent.

Your goals and ours

We're committed to becoming a net zero carbon business by 2040 and to crafting spaces that are not only healthier, but more inclusive too.

You can be confident we prioritise minimising carbon emissions. Our team of sustainability experts are here to proactively work with you to reduce the carbon footprint of your workspace, and provide on-going support as you strive to achieve your own sustainability goals. Count on us to be by your side every step of the way.

Restore and reuse

We are championing the circular economy - it's at the core of our design process. Our passion lies in minimising waste and embracing circularity.

We're proud to use renewable energy to power all our buildings and you'll discover a unique touch—pre-loved furniture and fittings that have been given a second life.

Through reusing, repurposing and recycling, we strive to make a positive impact on the environment and create spaces that are both sustainable and full of character.

Future London

We acknowledge the challenge of climate change and the need to adapt our businesses. We believe that we can create spaces that not only meet the needs of today but are also well-prepared for the challenges of tomorrow.
